Horoscope Overall Result Planets Yogas Vimshottari Dosh Recommendations

You will be medium or short and often inclined towards corpulence, lips thick, complexion swarthy, square face, well-shaped lips and dark hair are prominent features. Women are generally handsome. You generally resemble the bull in your behavior toward new people if you are not listened to properly. You have your own principles and ways. Often you have a piercing intellect. You shine well as authors, book dealers and journalists. You are not bound by sentimentality but appreciate truth. You are remarkable for your ability to commit to memory. Your Physical and mental endurance are note-worthy. You have much business knack and good intuition. You often think you are born to exercise authority over others and in a sense you are right. You are sensitive to physical influences. You are often liable to extremes, zealous and easily accessible to adulteration. You are sensitive to suffer from nervous complaints after your fiftieth year but your memory and powers of imagination will never deceive you. You are slow to anger, but when provoked, furious like the bull. You are passionate and may become preys to genital diseases in your old age unless you moderate your pleasures and learn to exercise self-control.

Physical features: You will have a beautiful and stout body, tall, moderate complexion, thin legs and long arms.

Character and general events : You are having a doubting nature. You are always suspicious of everything. You are very sincere in your dealings with others and you expect the same reciprocal sincerity nature others find it pleasant to deal with you. But a word of precaution is necessary here that you have to be very careful while dealing with your friends and relatives as also in any partnership business as you may be cheated. Blind trust put on others will quite often lead you into later frustration and repentance.

You have a knack to deal with even those who ditch you. You have a natural initiative, awareness, brilliancy of mind, eagerness and active agility, but as a result of your affectionate regard for others, you are buffeted by both circumstances and people.

You are very simpleton. You prefer a life of simplicity and principled. You always expresses impartial and sincere opinion. You can be impatient to the point of intolerance when confronted with prejudice, judgment or action by others. While you expresses to others opinion, it is never brought into your life. You act according to your own sweet will. Outwardly expresses to the public that it is very courageous and will not hesitate to do anything which requires extreme courage, whereas you are an inborn coward.

You will not have peace of mind and get irritated even on small matters. Your life up to 32 years of age will be full of trials and errors and would appear to be like a lost boat in the center of the ocean i.e., the question of where to go, how to go and why to go will permanently rampage your mind without any conclusion. Your 32nd age onwards, life will start settling down down to the maximum satisfaction provided other planetary positions are good.

Education, sources of earning / profession : You will have good education. You are a very good financial adviser. You advises others to curb the spending but you cannot control the expenditure and at last finds yourself in the extreme economic conflict. You achieve success in life, including business if engaged after the age of 32 years. Till that time you have to face several ups and downs. You often begins projects rather than finishing the tediously routine tasks of the one in hand. It is mainly due to percipience rather than weakness and above all your ability to understand the possibility of success or no success of a project in hand, discard it immediately and replaces it immediately and replaces it with another which is more viable. In other words, you cannot undertake any permanent or continuing nature of work.

Period between 33 years and 50 years will be a period of full of strength and activities followed by utmost satisfaction. During this period you can achieve the benefits unexpectedly. But whatever you will be earning during this period will be wasted later on due to your own fault.

Family life : No benefit will be derived from the co-borns. Co-borns will not only cause troubles and problems to you, but also maintain extreme enmity so as to harm you. Your sincere love and affection will not have any effect in your relatives. In other words, you are mistaken absolutely for no fault of your own. That is why we are bound to believe the existence of God and the relationship of stars over the human beings.

Your spouse may not keep good health. Moreover, your married life is not cordial, mainly due to difference of opinion on silly matters, and the adamant nature of the native. In some cases, it is seen that the reason for the disharmony between the couple is mainly due to the better occupation in life by one of them, and the consequent inferiority complex.

Health : You have to face ill-health during his childhood. Frequent constipation ultimately leading to stomach disorder, cuts and injuries, pains in the shoulders near collarbones.
