# INTRODUCTION

My long cherished desire has been fulfilled when I am completed this book on Horary Astrology in Spain. This is second book authored by me in Sitges, Spain and fifth till date. Sitges, Spain has become my preferred destination for writing because of its quite, calm atmosphere and the Mediterranean. Book on Horary was overdue for many years as we had book on elementary Astrology "The Text Book of Astrology", book on Nadi Astrology, "Accurate Predictive Methodology" but not on Horary.

An Astrologer has lot of responsibility on his shoulders while predicting an event because many a times whole life of the native depends on it. Challenge to a budding Astrologer is to check accuracy of his predictions. It may take years together to know the accuracy of your predictions till they come correct, which implies that after studying you will have to experience the application of science for the benefit of people at large. Nadi Astrology has been taught to me by my teacher Revered Late Sh. J.C. Luthra in 1995. Now the challenge was to know the accuracy of the system I with my friend Mr. P.K. Sarna took a stall In Diwali Mela to check the accuracy of Nadi Astrology through "Horary". Two days in the Mela boosted our confidence to a great extent as we could read past, present and future through Horary very well. The experience of seeing so many horoscopes was exhilarating.

We were the first to use Horary Astrology on Television. In the years 2000 to 2001 I used Horary Astrology on Satellite T.V. In Nadi Horary Astrology answers can be give spontaneously with accuracy. Within half an hour of live program 20 - 25 answers were given i.e. one minute per answer, which included listening the question on phone, calculating the answer and answering it.

All my students during these years have given me statistics of answers to frequently asked questions by people. This book includes chapters according to all the nine events of life in a native viz. Education, Litigation, Property and Vehicle Purchase, Career and Financial Prospects, Travel, Marriage, Children, Health and Longevity.

A chapter on uncommon questions has also been included which contains Horary questions related to Mundane events, Politics and also questions which concern day to day life of some natives but are not directly involved in the nine events discussed above. In the chapter of Ruling Planets it is explained with illustrations how the answer to questions are given of the events, which are expected to happen within a day.

In all the chapters numerous illustrations have been given and have been discussed in detail so that readers may be able to understand and practically apply Horary system of Nadi Astrology. All the illustrations are successful predictions of the author and his students. Some illustrations are from the work by group of my students who worked during Diwali Mela of 1998. A record of these Horary questions was compiled, their results were analyzed and they finally are included in this book. Some of the illustrations are from the T.V. programs and certain others are from my students.

In certain illustrations I have showed Natal Horoscope and Horary Horoscope to prove that we get same answer from Natal Horoscope and Horary Horoscope. In certain cases it becomes essential to use the Horary Horoscope even if the natal Horoscope is present to verify the predictions for example the Natal Horoscope of a girl signifies no marriage and she is too young. In this case we will like to see whether her Horoscope is correct or not before giving such an adverse prediction. If she is too young then the events may not be too much to rectify Horoscope in such a case astrologer resorts to Horary Horoscope and the answer coming from the Horary Horoscope should be relied upon. In case of any difference of answer between the Horary Horoscope and Natal Horoscope then the Horary Horoscope should be given more importance because the Time of birth of Horary Horoscope is accurate.

Sometimes native may ask same question again after some time due to curiosity. In such a case it is observed that the answer of the question does not change. However care should be taken that the second time again the native is serious to ask the question. It has also been observed that sometimes the native has asked a question and after an interval his relative or friend has asked the same question for the native. In all such cases same answers have been arrived at.

In my lectures of "Horary Astrology" a common question is asked about the "Mook Prasna". Mook Prasna implies that native want to get answer of a question, which he does not want to ask. In 11 years of practice of Astrology and hundreds of my students who are practicing all over we have got 3 - 4 such questions out of the thousands of questions answered so far. A native will not ask question when he is feeling shy or have fear to ask the questions. These were all scandalous and after the answers given to the natives they opened up fully and explained the situation and the question in detail. In the chapter of "Career and Financial Prospects" I have included one of such questions. Native did not put question correctly and by the answer coming out from Horary it was found that the native was trapped by one of his partners.

At what time the Astrologer should predict? In which direction should Astrologer face and the querist should face at the time of asking the question? These are also some of the questions, which are asked for. The answer is it doesn't make any difference when a question should be asked or answered and in what direction any body faces. It is only essential that the querist is serious and curious about the question.

Experience in "Horary Astrology" has shown that if its principles are strictly followed the system gives accurate results because the time of asking the question is correct.

People commonly ask if the Horary Astrology is extremely correct why the Astrologers do not become a billionaire by indulging in speculation trade? In Horary Astrology or Prasna Chart the querist should be serious only then one gets

accurate answer. In case if a native is really sick of some shares or commodity he has kept for long and wants to ask question regarding that the answer is surely going to come correct. Similarly in case of any match in sports between two teams if question is which team will win, then answer will surely come correct when querent is emotionally attached to a team and wants his team should win or get the championship. If the answers to the speculative questions will start coming correct then that will overrule the native's Horoscope, which is not possible.

This book is a unique book of Horary Astrology because it covers all the nine events of life and more with about 150 illustrations with their true results. This book is well researched and carries the data, illustrations and experiences of many astrologers who have been working on this science for years together.

In this book the principles of "Nadi Astrology" have been followed. Readers should have the knowledge of elementary Astrology to appreciate the book. However Astrologer having the knowledge of Nadi Astrology will understand the book easily. Readers are advised to go through "Accurate predictive Methodology" which will help them understand the book better.

I will request my readers and astrologers to critically analyze any Horoscope after studying time, place and conditions after giving due consideration to caste, creed, religion and community.

Research is an ongoing process and scope of improvement is always there. I appeal to all readers to write to me for any suggestions, improvements so that I incorporate the same in next edition of this book.

# CHARACTERISTICS OF PLANETS, SIGNS & HOUSES

For the benefit of the readers, it is essential to write in brief the characteristics of Planets, Signs & Houses from the point of view of "Nadi Astrology" to be used in the book.

## Planets

**Lordship of the Planets:** All the planets are lords of Signs except Rahu & Ketu. They are as follows:

### Planets

Sun

Moon

Mars

Mercury

Jupiter

Saturn

Venus

Uranus

Neptune

Pluto

### Signs

Leo

Cancer

Aries, Scorpio

Gemini, Virgo

Sagittarius, Pisces

Capricorn, Aquarius

Taurus, Libra

Capricorn

Pisces

Scorpio

**Aspects:** All the planets Aspect various Signs from their Natal position in a Natal horoscope & in Transits. Following are the aspects of different planets:

| <b>Planets</b> | <b>Aspects on various Signs</b> |
|----------------|---------------------------------|
| Sun            | 7                               |
| Moon           | 7                               |
| Mercury        | 7                               |
| Venus          | 7                               |
| Pluto          | 7                               |
| Uranus         | 7                               |
| Neptune        | 7                               |
| Mars           | 7,4,8                           |
| Jupiter        | 7,5,9                           |
| Saturn         | 7,3,10                          |
| Rahu           | 5,9                             |
| Ketu           | 5,9                             |

**Natural Malefic:** Natural malefic planets are Rahu, Ketu, Saturn, Mars, Uranus, Neptune & Pluto.

**Natural Benefic:** Natural benefic planets are Jupiter, Venus, Mercury, Moon & Sun. Moon is always a benefic while decreasing & increasing. It should be considered a benefic during "Amavasya" also. In other words Moon is always a benefic. Similarly there should not be any confusion about Mercury. It is also a benefic always. Sun should also be considered a benefic since it signifies medicine, government & father etc.

**Separative planets:** Separative tendencies are signified by Sun, Saturn, Rahu & Ketu.

**Natural Strength:** Rahu, Ketu, Saturn & Mars are strong planets. They signify the events predominantly in their DBA & Transits than Sun, Moon, Mercury, Venus & Jupiter. Uranus, Neptune, & Pluto are also very strong. They do not have any role in any DBA but their presence is felt certainly in Transits & behaviour of the native.

**Friendship & Enmity:** There is no Friendship or Enmity

between any of the planets. All planets work in the manner explained in the book.

In India most of the Astrologers are not using Uranus, Neptune & Pluto because Ancient Savants of Astrology have not written anything on it. It is a well known fact that all the three planets have been discovered recently. But since all of them are heavenly bodies & that too within our "Solar system", they must have been affecting the life on "Earth". Therefore I find it essential to write a few words on these planets. All of them do not take part in the DBA therefore they largely do not affect the occurring & the timing of the event. Their presence is felt in Transits & on the behaviour of the Native. Uranus, Neptune and Pluto are transpersonal planets used much in Western Astrology. According to Western Astrology if these planets aspect Sun, Moon, Mercury, Venus and Mars then the native is very dynamic and intelligent.

**Uranus:** Uranus signifies revolutions, rebellions, anarchy, rioting i.e. sudden blows & events in a Native's life. It rules Capricorn Sign. Uranus shares lordship with Saturn. According to Western Astrology Uranus is lord of Aquarius whereas according to Indian Astrology Uranus is lord of Capricorn. Uranus represents revolutions hence is also associated to freedom. The change in the life of a native will be unexpected, drastic and not wished for. The new change will be like the other side of the coin. It also rules intuition, creativity, independent ideas and leadership qualities.

**Neptune:** Neptune is psychic in behaviour. It develops confusions in the mind of Native. It signifies cheats, deceivers, forgers, kidnapping etc. According to both Indian and western Astrology Neptune is lord of Pisces. It represents sacrifices, love, sacrifice for love and fusing with others. It also rules confusions and victims of the situation however it is in our hand to overpower and weaken others. It also creates addiction to tobacco or alcohol and the reason can be result misunderstanding in love. It also rules spiritualism and mysticism.

**Pluto:** Pluto is a kin of Mars but it signifies group activity. It signifies dacoits, massacres, gangsters, mass tragedies, racketeers etc. Pluto rules Scorpio according to both

western and Indian Astrology. It signifies death like transformation. Sometimes beloved people separate from our lives and the cause of separation can be death. Sometimes they will come back to us but the relations will not be the same again as they have transformed. It also gives us the opportunity to modify ourselves. Many fears are experienced in this path and in the end it is total liberation from the responsibilities.

**Dasa:** Only Vimshottari Dasa is correct Dasa, which will be used in the book for timing the events of life of native.

**DBA:** Term DBA will be used throughout in the book, which implies Dasa, Bhukti and Antar native will be undergoing at the time specified. Some astrologer also take it as Maha Dasa, Antar Dasa and Pratayantar Dasa also Main Period, Sub period and Sub – sub period.

**Ayanamsa:** The first and foremost important factor before casting a horoscope is to take the correct "Ayanamsa". Ayanamsa is the rate at which the point of intersection of the Ecliptic & the celestial equator moves in retrograde motion. The correct Ayanamsa is given by the figure 50.2388475". Reader should know that the fixed zodiac & the Sayana zodiac were in the same degree in the year 291A.D.

The astrologer should proceed now to cast the horoscope of the native by using the correct Ayanamsa. For casting the horoscope help can be taken from the K.P. Ephemeris or by Lahiri Ephemeris. Astrologers can take the help of correct software too available in the market. It is worth noting that K.P. & Lahiri Ephemeris are taking the same Ayanamsa but Lahiri had taken 285 A.D. as the year of coinciding of both the zodiacs. Astrologers should add 6' to Ascendant. & all the positions of the planets in case they are using Lahiri Ayanamsa or Chitrapaksha Ayanamsa.

## **Houses of Relatives from the Ascendant**

Father        - 9, When native is dependent on the father  
                  - 10, when native is not dependent on father

|                   |    |

# **RULES OF HORARY ASTROLOGY**

Answers to the questions of native can be given on the basis of Natal & Horary Astrology (Prasna Chart). In Natal Astrology the Horoscope of the native is cast by knowing the Date, Time & Place of birth. An Astrologer on the basis of the, Natal Horoscope cast on this basis can predict all events of life.

In Horary Astrology, Horoscope is cast at the time when the native asks question and answer to that question is given by looking at the planetary position at that time. It should be noted that in Natal astrology answers to all events of life can be given on the basis of Natal Horoscope but in case of Horary Astrology answer to only that particular question is given which is asked by the Native.

Horary Astrology can answer all the events of life exhaustively, which can be predicted by Natal Astrology. The events are Education, Litigation, Property and Vehicle, Travel, Career, Marriage, Children, Health and Longevity.

### **Why Horary Astrology is needed?**

In Natal Astrology purchase of property, vehicle, marriage and all other events of life can be predicted but answer to a precise question, can be easily predicted in Horary Astrology e.g.

1. Which girl I will marry out of the two?
2. Will I be able to purchase a particular property?
3. Will I go to U.S.A.?

In all these questions Native is very particular about the question. In question No.1 he wants to marry out of two options. From Natal Horoscope Astrologer can time the marriage but cannot tell which of the two girl's he will marry.

Similarly in the second question the question is about purchasing a particular property. If in the Horary Horoscope the answer of second question is negative, native's desires will not be realized. In the second question the natal Horoscopes may show purchase of property but property purchased will be any property other than the property he desired to purchase. Similarly in third question native desired to go to U.S.A. and the Prasna Chart negates it then in case natal Horoscope signifies long travel then the native will not go to U.S.A. but the native may travel to some other country.

The conclusion is that Horary Astrology can answer precise questions which may not be possible to answer in Natal Astrology.

Natal Astrology is confined only to the events of life of a native but Horary Astrology answers to Mundane questions and also questions related to politics:

- Who will win the match?
- Will candidate of Congress party win from this constituency?

From Horary Astrology we can also answer questions, which relate to environment we live in but may not relate to our Horoscope such as:

- When will the road of our colony build up?
- Will the municipality department put a lamppost in the park?

By the help of Horary Astrology an astrologer can also answer those questions of the events, which are expected to happen within hours.

- When X will reach the destination?
- When will electricity come?

Horary Astrology is also useful to all those people who's Natal Horoscope cannot be cast because their Date, Time & Place of birth are not known.

## PRASNA OR THE QUESTION

It is clear that Horary Horoscope is cast at the time when the native asks question. Basis of Horary astrology is that there must be a genuine question of native for a genuine answer. Now question arises as to what this genuine question is?

Everybody born on earth has to undergo ups & downs in life. Whenever a problem arises, native tries to solve it with possible efforts within his reach. In case of failure or continuous trouble time comes when planets & stars compel him to visit an astrologer to know when his sufferings will be over.

In other words problem haunts him to visit astrologer. This is the time when he visits / contacts astrologer and asks the question regarding his problem. At this point of time when he asks a question he gets accurate answer from the cosmos. To conclude astrologer should consider only that question in Horary in which native is involved and is curious to know the answer of the question. To cast a Horary Horoscope or Prasna Chart there must be a question or Prasna.

*Native can ask question either related to him or related to his relative or friends. It is advised to avoid questions asked by people casually in parties, get together etc. Irrelevant and non-serious questions should not be taken from the natives as they result into incorrect answers damaging the image of astrologer & astrology. They are also of no use to the querist/ native.*

When a native visits an Astrologer he has one burning question in mind about the current problem e.g. he is not doing well in business or he is not comfortable with job or his daughter is not getting married and so on. He can have two separate questions also about the profession and marriage of his daughter etc. then the astrologer should take question by Horary one by one depending upon the priority of the question told by the native. Preferably astrologer should take only one question from the native at a time and maximum second after answering the first question.

In case of leading question of one problem astrologer should refer to same horary Horoscope e.g. native asks when marriage of his daughter will take place? After the prediction by astrologer if the native asks about the married life of the daughter then the same Horoscope has to be referred to for the prediction about the married life of his daughter.

An obvious question is that whether Astrologer can ask question for himself or not? An Astrologer is a person who has to go through the life as any other person and has to face similar problems. If even Astrologer is serious to ask a question he can ask the question for himself following the principles of Horary Astrology.

## **ESSENTIALS OF HORARY HOROSCOPE**

**1. Accuracy of Time:** Astrologer should be very particular about the precision of time.

**2. Understanding question of Native:** Astrologer should listen to the question of the Native with patience and try to understand his question carefully. Native is coming to the astrologer at the time of difficulty and at this time it is natural that he may not be in sufficient mental health and may utter unimportant things. He can be facilitated to come on concrete question and when he comes on the concrete question naturally is the time astrologer should take into consideration.

**3. Taking "Seed" from Native:** As you know there are 243 Sub lords in a Zodiac. Six sub lords spill over to the next sign. Therefore six other sensitive points in the zodiac result giving rise to 249 sensitive points in total.

A diary is prepared having 125 pages amounting to 250 when pages are counted from front to back. This diary in hand is supposed to be Zodiac. After listening to the question of the native he is asked to open any page of the diary. Note down the page he has opened. See the Starting degree of the number in the Table I from the Annexure and consider it as the Ascendant degree or Cuspal degree of the Ascendant. The number noted is also called "Seed" of the question since from this Ascendant is arrived at and Horoscope will be cast

to know the answer. With this method, he is asked to point to the answer to his own question in the Zodiac.

### **Relevance of taking seed:**

Prime organ governing our body is the brain. Astrologically, planets & stars guide the brain. Our Nerves end in the palms of the hands and all the thinking of our brain is reflected through hands, which are guided by the brain through nervous system. Therefore taking the seed becomes relevant. In case of emergency if the native cannot come to the Astrologer in person then he can be asked to tell any number at random in between 1 to 249 by any means of communication.

If Horary Horoscope is cast taking Ascendant from the time native has asked a question. This system collapses when two or more persons ask same question at one given time. Horary Astrology of Nadi system was applied on predicting marks to about 100 students in an hour's time (same Ascendant at that time) with success in 1997 whereas traditional system may not have answered in such case.

### **4. Time of Birth of Question or Time of sowing of Seed:**

After knowing the degree of the Ascendant from the seed Horary Horoscope should be cast taking current time into consideration.

In case the question is asked from the Astrologer & Astrologer is not in a position to cast the Horoscope at that time and cast the horoscope afterwards to know the answer then that time should be taken when Astrologer actually starts working on the question.

In case Horoscope is to be cast by hand then when he takes the pen in hand to work upon, that time is to be taken & in case when he starts doing work by computer then that time is to be taken when he switches on his computer. The seed should be used within two days. If Astrologer is not able to work after getting the seed within two days he should ask for another seed from the native for the question.

It is not the time of asking the question that is important. It

is important as to when the seed has been sown for calculating the answer.

**5. Place of Birth of question or Place of sowing of seed:**

For casting the Horary Horoscope latitude & longitude of place is taken where Astrologer works upon the question.

**6. Analyzing Horary Horoscope:** After casting the Horary Horoscope answer should be given by analyzing the Planets in the Horoscope, DBA and Transits.

Before going to the detail as to how a Horary Horoscope is seen let me explain you by an example how a Horary Horoscope is cast.

## **CASTING A HORARY HOROSCOPE**

### **Step I**

Note down the

1. Seed
2. Date & Time
3. Place of casting Horary Horoscope

Let us take a practical example where

1. Seed is 135
2. Date is 16/11/2000 & Time 20 hrs. & 15 minutes.
3. Place - Delhi Latitude  $28^{\circ}40' N$  Longitude  $77^{\circ}13' S$

### **Step 2**

Now note down the degree of the Ascendant of Horary Horoscope from the seed.

Since the seed is 135, the Ascendant is Libra  $15^{\circ} 13' 20''$  (from the Annexure).

### **Step 3**

Cast the horoscope by placing the planets in the horoscope from ephemeris and calculate Dasa, Bhukti & Antar from the longitude of Moon.

## Step 4

Cast Nirayana Bhav Chalit from Raphael Table.

## Step 5

Pen down the lordship Nakshatra Sublord of the planets from Table from the Annexure:

# Casting Nirayana Bhav Chalit Chart

## Step 1

The first step is to check time, date & place of birth of the native. The place of birth of the native is Delhi i.e. latitude  $28^{\circ}40'$  N. Let's open the page for Delhi in the "Raphael's Tables of Houses".

## Step 2

Find out the Ayanamsa of 2000. The ayanamsa for the year is 23degrees and 55minutes.

Add the ayanamsa to the Ascendent degree of the native. The Ascendent degree is Libra  $15^{\circ} 13' 20''$ . Adding ayanamsa to the Asc.=  $23^{\circ}55' + \text{Libra } 15^{\circ} 13' 20'' = \text{Scorpio } 9^{\circ} 8'20''$ .

## Step 3

Now we'll see the nearest degree of the Ascendent available in the Raphael's Table of Houses which we find to be **Scorpio  $9^{\circ} 38'$** . Now pen down the cuspal degrees of the various houses available in the table.

|                      |            |                         |
|----------------------|------------|-------------------------|
| Cuspal degree of the | 2nd house  | $9^{\circ}$ Sagittarius |
| " " " "              | 3rd house  | $10^{\circ}$ Capricorn  |
| " " " "              | 10th house | $13^{\circ}$ Leo        |
| " " " "              | 11th house | $15^{\circ}$ Scorpio    |
| " " " "              | 12th house | $15^{\circ}$ Libra      |

## Step 4

Deduct Ayanamsa from the cuspal degrees so obtained.

### Cuspal degrees of

|            |                           |  |
|------------|---------------------------|--|
| 2nd house  | = $9^{\circ}$ Sagittarius | - $23^{\circ}55' = 15^{\circ} 05'$ Scorpio |
| 3rd house  | = $10^{\circ}$ Capricorn  | - " = $16^{\circ} 05'$ Sagittarius         |
| 10th house | = $13^{\circ}$ Leo        | - " = $19^{\circ} 05'$ Cancer              |
| 11th house | = $15^{\circ}$ Scorpio    | - " = $21^{\circ} 05'$ Leo                 |
| 12th house | = $15^{\circ}$ Libra      | - " = $21^{\circ} 05'$ Virgo               |

## Step 5

The Cuspal degrees of all the 12 houses are as follows :

| Houses | Deg. | Min. | Sign        |
|--------|------|------|-------------|
| 1st    | 15   | 13   | Libra       |
| 2nd    | 15   | 05   | Scorpio     |
| 3rd    | 16   | 05   | Sagittarius |
| 4th    | 19   | 05   | Capricorn   |
| 5th    | 21   | 05   | Aquarius    |
| 6th    | 21   | 05   | Pisces      |
| 7th    | 15   | 13   | Aries       |
| 8th    | 15   | 05   | Taurus      |
| 9th    | 16   | 05   | Gemini      |
| 10th   | 19   | 05   | Cancer      |
| 11th   | 21   | 05   | Leo         |
| 12th   | 21   | 05   | Virgo       |

The starting degree & ending degree of the 12 houses are:

| Houses | StartingDegree    | Ending Degree     |
|--------|-------------------|-------------------|
| 1st    | Libra 15 13       | Scorpio 15 05     |
| 2nd    | Scorpio 15 05     | Sagittarius 16 05 |
| 3rd    | Sagittarius 16 05 | Capricorn 19 05   |
| 4th    | Capricorn 19 05   | Aquarius 21 05    |
| 5th    | Aquarius 21 05    | Pisces 21 05      |
| 6th    | Pisces 21 05      | Aries 15 13       |
| 7th    | Aries 15 13       | Taurus 15 05      |
| 8th    | Taurus 15 05      | Gemini 16 05      |
| 9th    | Gemini 16 05      | Cancer 19 05      |
| 10th   | Cancer 19 05      | Leo 21 05         |
| 11th   | Leo 21 05         | Virgo 21 05       |
| 12th   | Virgo 21 05       | Libra 15 13       |

Now I'll place the planets in the houses in the "Nirayana Bhava Chalit" as under:

| Planets | Sign    | Degrees | House |
|---------|---------|---------|-------|
| Sun     | Scorpio | 00 47   | 1st   |
| Moon    | Cancer  | 04 46   | 9th   |
| Mars    | Virgo   | 13 56   | 11th  |
| Rahu    | Gemini  | 23 00   | 9th   |
| Jupiter | Taurus  | 13 55   | 7th   |

|         |             |       |      |
|---------|-------------|-------|------|
| Saturn  | Taurus      | 03 57 | 7th  |
| Mercury | Libra       | 11 39 | 12th |
| Ketu    | Sagittarius | 23 00 | 3rd  |
| Venus   | Sagittarius | 10 27 | 2nd  |

We have calculated the cuspal degrees of the various houses & position of the planets. Now proceed to draw the Nirayana Bhav Chalit chart as under :

|     |       |     |       |     |       |

### Lordship and Position of Planets

Lordship and position of planets are taken from the "Nirayana Bhav Chalit".

Lordship & the position of all the Planets are as follows :

| Planet   | Position | Lordship |
|----------|----------|----------|
| Sun:     | 1        | 11       |
| Moon:    | 10       | 9        |
| Mars:    | 11       | 2,7      |
| Mercury: | 12       | 9,12     |
| Jupiter: | 3        | 3,6      |
| Saturn:  | 7        | 4,5      |
| Venus:   | 2        | 1,8      |

For taking out the houses signified ( coordinates of ) by Rahu & Ketu different method is followed. Rahu & Ketu do not have Lordships. Rahu & Ketu give the results as follows :

- 1) They give the results of the planets they are conjunct with.
- 2) They also give the results of the planets they are aspected by.
- 3) They also give the results of the planet in whose sign they are posited.

The Rahu in the horoscope will give the results as under & in the same above sequence

- 1) None
- 2) Venus - 1,2,8
- 3) Mercury - 9,12

In addition to the above three conditions We'll also write the position of the Rahu which is 9

So all the Houses signified by Rahu are : Rahu : 1,2,8,9,12

Similarly for Ketu we'll follow the same steps

- 1) Venus - 1,2,8
- 2) Mars - 2,7, 11
- 3) Jupiter - 3,6

The position of the Ketu is in the 3.

So all the Houses signified by Ketu are : Ketu : 1,2,3,6,7,8,11

**Lordship Nakshatra Sublord of the planets are as under:**

|     |                |     |            |     |            |
|-----|----------------|-----|------------|-----|------------|
| Ket | 1,2,3,6,7,8,11 | Mon | 9,10       | Jup | 3,6,7      |
| Ven | 1,2,8          | Sat | 4,5,7      | Mon | 9,10       |

| Ven | 1,2,8          | Mar | 2,7,11     | Sat | 4,5,7      |
| Ket | 1,2,3,6,7,8,11 | Mon | 9,10       | Sun | 1,11       |
| Sat | 4,5,7          | Jup | 3,6,7      | Sat | 4,5,7      |
| Sun | 1,11           | Rah | 1,2,8,9,12 | Mer | 9,12       |

## ANALYSING A HORARY HOROSCOPE

A Horary Horoscope is analyzed in the similar manner as a Natal Horoscope is analyzed.

While analyzing any Planet we should observe that Sub lord

is stronger than Nakshatra and the Nakshatra is stronger than the Planet.

For any event to happen Dasa should be given the maximum weight age. If Dasa allows an event, the event can happen in the Dasa. If it does not allow the event we should check the next Dasa and so on. Once the Dasa allows the event we should go to see the current Bhukti and if this Bhukti allows the event we should check the nearest Antra and then the Transits, which will tell the day of the happening of the event. However if current Bhukti does not allow the event we should check the nearest Bhukti, which allows the event to happen and see the Antras in the Bhukti and then the Transits.

Readers who have knowledge of Nadi Astrology know that there are formulations of events of life and these formulations are to be seen in the Dasa Bhukti Antar or the DBA. All the formulations for happening of different events are given in different chapters of the book.

For the events, which cannot change the status of a native, its Dasa may not be required to be seen. For example the question is Rs.100/- have been lost as to whether I will be able to recover it or not? Rs.100/- for a native who is a millionaire is a meager amount and if a millionaire ask such a question even Bhukti should not be seen just the Antra is enough to be seen. However, Dasa should be seen if a poor man asks this question.

After seeing the DBA to pin point the day of happening of an event Transits should be seen in the following manner:

## **Transits**

Any of the three planets which signify the event may / may not be from the DBA should either

- Conjoin in one house
- Or aspect each other
- Or transit the significator houses
- Or aspect them
- Or transit over their natal positions

After one of the above conditions is fulfilled the event can take place at any given moment.

For example Jupiter, Mars and Sun signify any event in any horoscope. In Transit Jupiter and Mars are conjunct and Sun joins both of them then this condition of conjunction of Mars, Sun and Jupiter all conjunct together will remain there for from a number of days to a month. We desire to calculate the day of the event. Hence after any of the above condition is fulfilled it is desirable to arrive at the day of the event. For that we proceed as follows.

Event will take place on the day when

- A transiting planet signifying event, either transit exactly over Natal degree of planet signifying the event.
- Or two planets signifying the event transiting in a sign conjunct with in a degree.
- Or any planet signifying the event transits exactly over Cuspal degree of significator Houses.
- Or Moon conjoining three planets signifying event. Note that Moon should also signify the event otherwise its Transit is not desirable to be seen.
- Or the transit of the Antar lord in the favourable Nakshatra. Favourable Nakshatra here also means Nakshatra of a Planet that signifies event.

Please note that event takes place when there is disturbance in the cosmos within a degree or the sensitive degrees of Horoscope. Sensitive degrees of Horoscope are degrees of the Natal planets and the Cuspal degrees of the Houses. For example in case of marriage, degrees of Planets signifying marriage and the Cuspal degrees of 2,7,11 Houses become important for pin pointing event. Also fast moving planets Sun, Mars, Mercury and Venus are be helpful in pin pointing the day of event since the others take a number of days to cover a degree whereas Moon is too fast to draw any conclusion.

During Transits any Planet signifying the event can take part or it finally precipitates the event. We have normally three planets taking part in DBA and three planets in Transits involvements of which will finally make the event happen. It implies for a major event to happen in life minimum three planets are required. Fast moving planets finally play the role to time the date of event. In other words Transit of slow moving planets Saturn, Jupiter, Rahu or Ketu cannot finalize an event.

## **CUSPAL SUB LORD**

Starting degree of the House is called the Cusp or the Cuspal degree of the house in "Nadi Astrology". The Sub lord at the Cuspal degree is called the "Cuspal Sub lord". Cuspal Sub lord is important. The strength of the house is drawn from the strength of the Cuspal Sub lord. If the Cuspal sub lord signifies the combinations connected with the House the House is strong. The concerned events will take place in the concerned DBA. If the Cuspal Sub lord negates the event the event may not take place even in the DBA promising the event strongly. For example, if the Cuspal Sub lord of the 4<sup>th</sup> House signifies 4 or 11 or good houses 2,9 in this regard the individual in the DBA of 4,11,12 will purchase the property. On the other hand if Cuspal Sub lord signifies houses 3,5,6,8,12 the DBA of 4,11 will be ineffective.

Readers who know Nadi Astrology are aware that it is difficult to handle the Cuspal degree of Houses in Natal Horoscope. This is because it is practically very difficult to correct the degree of Ascendant of a native to minutes. In case of Horary Astrology the degree of Ascendant is accurate therefore Astrologer can use the Cuspal Sub lord of all the Houses. For predictions Cuspal Sub lord of only the prime house is important. For example in case of marriage Cuspal Sub lord of 7<sup>th</sup> House and for property Cuspal Sub lord of 4<sup>th</sup> House carries importance.

## CHAPTER - 2

# EDUCATION

Education means acquiring information & knowledge through parents, teachers & gurus. This information & knowledge is available in books, texts, periodicals & scriptures & is taught through schools, colleges & educational institutions.

The information & knowledge so acquired when applied in various fields of life becomes the wisdom. Wisdom is application of information & knowledge at appropriate time place & conditions.

### Houses

Astrologically, Houses which signify information & knowledge acquired in schools, colleges & educational institutions are:

**House 2** House 2 signifies the knowledge acquired.

**House 4** House 4 is the prime house of education & it also signifies primary education.

**House 9** House 9 signifies higher education.

**House 11** House 11 signifies gain in education.

In addition to the above houses of education there are also certain facilitator houses, they are:

**House 5** House 5 signifies intelligence & the comprehension of the native.

**House 3** House 3 is the prime house of written work, communication & printing.

11 House in astrology signifies gain when it gets connected with the relevant houses of education it combines to give gain of the relevant house. In such cases it also enhances the significance of house to heights.

## Combinations

The system of education is regulated through the examination system where the appraisal of the native's performance is carried out by allocation of the grades & percentage of marks so obtained. In line with the modern day education the following combinations in the DBA planets give the respective grades & percentage of marks.

|                        |                                      |
|------------------------|--------------------------------------|
| <b>4,9,11</b>          | "A" grade or maximum marks.          |
| <b>4,11</b>            | "B" grade or above average.          |
| <b>5,11</b>            | little lower than above combination. |
| <b>4,9</b>             | "C" grade or average.                |
| <b>2,5,9</b>           | "D" grade or low.                    |
| Scattered <b>2,5,9</b> | "E" grade or just passing marks.     |
| <b>6,8,12</b>          | Failures & obstacles                 |

When 6,8,12 gets connected with any of the combinations mentioned above except 4,9,11 or 4,11 or 5,11 will result into compartment in the particular subject held during the relevant DBA.

**No inclination for Education:** We also come across natives in peculiar circumstances when the native belongs to well to do family where native is provided with all the means of education but the native has no inclination for education. For such cases the combination **3,6,8** is profound in the horoscope.

**Foreign Education:** In the modern world where education is desired by all, sometimes due to compelling circumstances of parents, lack of facility in the native's place, transfer or otherwise the native has to leave his home for having his education. Since education away from native's place has inherent foreign travel which is signified by the combination **3,9,12**.

**Scholarships:** To promote healthy competition amongst the students the concept of scholarship to the meritorious candidates is prevalent in our educational institutions. It gives a sense of pride to the student, parents & other relatives.

In astrology scholarship is signified by House 6 & for gaining the scholarship House 11 must get connected therefore getting the scholarship 6 & 11 houses in a native's horoscope should get profound in the DBA periods.

### **Success in Competitive Examinations & Interviews :**

Admission to good course or prestigious institutions is regulated through competitive examinations, for success in such competitive examinations are achieved by the native when the DBA planets signify houses 6,11 or 4,9,11. In few cases where the seats available are more than the combinations of 4,11 or 5,11 in present DBA also results into success.

Furthermore, the competitive written examinations are followed by interviews or group discussions or both. The interview or group discussion requires a person to have good communication & vocal skills which in astrology are signified by the 3 House. A native having combination of 3,11 or 3,6,11 in present DBA gets through interviews & group discussions.

**Prizes or Awards:** Combination 6,11 in the DBA of Jupiter or Venus signifies Prize whereas combination 10,11 in the DBA of Jupiter or Venus signifies award.

**Balance Dasa of : Rah 0Y 7M 3D**

To see the performance of a student in studies for whole life we will have to see the approximate age left for studies. In this case the child was 7 years old and he has approximately 14-17 years left for studies and for that we will have to have a look on all the Planets because all the Planets period will rotate in these years. Saturn, Sun and Mercury in the Horoscope are signifying 4,11 whereas Ketu, Sun and Mars signify 5,9,11. Saturn, Sun, Ketu, Mars also signify 10, 11 ; 6,11 which implies winning prizes and awards. Venus, Moon, Jupiter and Rahu also signify the same combinations but they additionally signify 3,6,12 which implies no inclination for education. Since 3,6,12 is signified with better combinations like 5,11;9,11 repeating again 3,6,12 will not be able to over power the combinations 5,11;9,11 and 12 will additionally signifies research oriented mind.

This concludes that the child will be brilliant in studies. He will oftenly win prizes and awards. He will be successful in clearing competitive examinations also. Since 5,11 is signified in most of the planets he will be very creative also.

**Balance Dasa of : Sat 4Y 6M 25D**

Astrologer should know the duration of the course and Dasa period of the duration have to be seen to know whether the native will be able to do the course successfully or not. The period in this case was a year and a half i.e. up to April 2002. At the time of asking the question Saturn - Rahu - Saturn period was in operation. Saturn signifies 2,11,12 in Planet and Sub lord and 6,7 in the Nakshatra. 6 in Nakshatra and 12 from Planet and Sub lord indicates hurdles in doing the course whereas 2,11 combination is positive. Rahu signifies 2,4,9,11,3 Houses which are extremely positive. This implies that Saturn - Rahu - Saturn period is going to give little hurdles. Saturn and Rahu being natural malefics may give illusions but since Houses signified are good not much problem is indicated. Next Antra is of Mercury which signifies 6,8,12

and if during this period if examinations are held the native may fail in a subject or two. Next Antras up to April 2002 are of Ketu and Venus. Ketu signifies 3,6,8 in Planet whereas the Nakshatra and Sub lord are fairly good. Last Antra of Venus also has combination 3,6,8 In Sub lord in which the final examination will take place. This implies he may have to repeat in a subject in next Antra which is of Sun and Sun signifies 2,11 in sub lord. 12 in Sub lord is also signified will not harm much and the native will clear the subject in the second attempt.

●●●

## CHAPTER - 3

# LITIGATION

These days man has become such an egoist, corrupt, manipulative & embroiled in various controversies that you hardly come across any person who has not faced litigation whether by initiating himself or somebody else initiating against him including the government & other agencies. Litigation as commonly understood means any dispute or difference or disagreement over anything, which results into the native approaching the courts, tribunal or any other competent authority.

### Houses

- House 6:** In astrology House 6 is prime house of litigation by the native or against the native.
- House 8:** House 8 plays significant role in litigation as it signifies tensions, obstacles, failures & insults.
- House 12:** Similarly House 12 involves upon expenses in litigation, payment of penalties, dues or taxes & loss of sleep, imprisonment & secret plots of enemies. It is also prime house of loss.

### Planets

Natural malefic Rahu, Ketu, Saturn promote litigations by the native or against the native. They also promote disputes, tensions, conviction by the court, imprisonment, kidnapping, insults, impositions of penalties, dues or taxes etc. Litigation is not possible without the participation of these Planets in DBA.

### Combinations & Timing of Litigation

Astrologically if all or any of the **6,8,12** houses are signified

in the DBA of natural malefic Rahu, Ketu, Saturn native is involved in litigation. Kindly note that any of the 6, 8 or 12 House alone in the Planet, Nakshatra or Sub lord of DBA planets doesn't result into litigation. It is only when any two or all of the above houses get connected in the Planet, Nakshatra or the Sub lord of DBA of natural malefic there is danger of litigation, damages & penalties to the native. If any of the 6, 8 or 12 are repeated in the Planet & Nakshatra or Nakshatra & the Sub lord in DBA of the natural malefic then also penalties are imposed on the native.

In all such cases if Sun or Moon also get involved in the DBA the native suffers at the hands of the state government, central government, Municipal corporation & other government authorities.

**Imprisonment:** If a native is convicted and sent by the court for imprisonment then the combination of **2,3,8,12** is repeated in the DBA of natural malefic Rahu or Ketu. Since

**House 12:** 12th house is the main house of imprisonment & loss.

**House 8:** It signifies tensions, insults, obstacles & failures.

**House 3:** It signifies away from home.

**House 2:** As it signifies sufferings & the concern of the family.

The period of the conviction can be known by the continuity of the above combination in the subsequent DBA. Same combination is for the arrest by police on account of any case registered against the native.

**Going Underground:** In certain cases for avoiding the trial of the case & conviction thereafter some persons go underground to avoid the trial & imprisonment. The combination in such a case is **3,4,8,12**.

**Kidnapping:** Prosperity has its own pitfalls & these days kidnapping for ransom of the members of the rich families is a common phenomenon. The combination of kidnapping for ransom or otherwise is **2,3,4,8,12** in the DBA of the natural malefic Rahu or Ketu. If in Horary Horoscope combination of

**2,4,11** appear in DBA the native returns home. In the Horary Horoscope we have to see combination of coming back or no return. Many a times the kidnapped person is murdered by the kidnappers and for that murder and longevity has to be seen. For taking an idea about the condition of the kidnapped person in captivity the Planets of DBA have to be seen. If they are natural benefic the native is in good shape and if the DBA is of natural malefic he is kept in filthy place and is being manhandled also. For the direction of the kidnapped person we will have to see the DBA lords and their directions.

**Winning in litigation:** When the combination of **6,11** appears in the relevant DBA subsequently then the native wins in the litigation. The native also wins the case if 10,11 or 6,10 or 1,6 are signified in subsequent DBA. All the combinations are stronger in the ascending order i.e. 6,11 is stronger than 10,11 whereas 10,11 is stronger than 6,10 & 6,10 is stronger than 1,6. Since

**House 1:** signifies self effort.

**House 6:** is 12<sup>th</sup> House of the opposition or loss of the opposition.

**House 10:** signifies name, fame & authority.

**House 11:** signifies gain or win.

**Bail:** Native gets bail in the DBA of 10,11 or 6,11 or 6,10.

**Outside Court Compromise/Settlement:** Justice delay results into loss of time & more expenses. This position compels the litigants to compromise the case outside the court. The combination of compromise outside the court is the 5 and 9 Houses signified in DBA of natural benefic Moon, Mercury, Jupiter & Venus.

Present Dasa is of Moon which signifies 12 in the Sub lord therefore the Native will not get bail in the Dasa of Moon. Next Dasa is of Mars which signifies 3,8,; 4,5,6,8; 9,11,12 in the Planet, Nakshatra & Sub lord respectively. Since 11 is signified in the sublord & 6,11 is signified when Nakshatra & Sublord are clubbed together bail can be granted in the Mars Dasa. Mars is however weak to grant bail since its Nakshatra is negative. It requires excellent Bhukti for bail. Rahu is extremely good hence in its Bhukti bail is possible. Lady applied for bail of her husband in the DBA of Mars – Rahu – Saturn and her husband got conditional bail in November 2000.

Dasa of Jupiter was in operation at the time of asking the question. Jupiter signifies 4,11; 2,4,5,7,9,10,11; 6,8 in Planet, Nakshatra & Sub lord respectively. Planet and Nakshatra are extremely positive to come out of the litigation whereas Sub lord is all the more negative. This implies only in extremely positive Bhukti it is possible to come out of the litigation by out of court settlement since 5,9 are signified. Native will have to pay price for this since 6,8 is also signified.

Bhukti Moon is extremely bad since it signifies 6,8 in Planet and Sub lord. Bhukti of Moon ended on 16<sup>th</sup> July 2002. Next Bhukti was of Mars which signifies 5,9,10,11 strongly. Rahu, Ketu and Venus are also extremely positive therefore it was advised to do out of court settlement in the Antras of these

Planets to get rid of court case. Native was successful in February – March 2003 in the Antra of Venus. Venus is also the Cuspal Sub lord of 6<sup>th</sup> House.

Dasa Lord is Moon, which signifies 3,4 in Planet and Nakshatra and 1,2,5 in the Sub lord. Moon neither signifies combination of win nor loosing the case. Mercury signifies the Houses 5,9; 10; 12 which are the Houses of outside court settlement and winning the case respectively. Antar lord Venus signifies 3,6; 1,7,8,11,12; 4 in Planet, Nakshatra and Sub lord respectively.

Ketu signifies Houses 1,7,8,11,12 in Planet and Nakshatra and 7,8,11 in the Sub lord hence it is stronger for winning case. Sun is positive for win as it signifies 8,11. Mars, Rahu, Jupiter and Saturn have all the Houses of win, loose and outside court settlement. Since maximum Planets signify

combination of outside court settlement the matter will settle outside the court in period of benefic. Native did out of court settlement in DBA of Moon – Mercury – Jupiter. In Mercury and Jupiter 6,8,12 Houses are little stronger than 10,11 Houses native gave more part of share to the opposite party.

# PROPERTY AND VEHICLE

The most common question an astrologer faces from the native is about acquisition of property or vehicle because it is distant dream of majority of persons specially in metropolitan cities. Property purchase involves the entire life savings of an individual. It is also correlated with the status of the family.

## Purchase of Property

### Houses

Houses involved in purchase of property are:

**House 4** : Prime house of property.

**House 11** : Gain of property & fulfillment of desires.

**House 12** : Expense incurred during the purchase of property.

### Planets

Natural signifiers of property are **Mars** & / or **Saturn**. No property can be purchased or sold without their involvement in DBA or they should aspect or conjunct DBA planets. They also play major role in transits during purchase or sale of properties.

## Combination & Timing of Purchase of Property

Native purchases a property when the DBA lords signify the combination of **4,11,12**. Mars or Saturn should essentially appear in DBA or aspect DBA lords.

## Property Purchase through Loan

Since purchase of property involves huge amount a native

in some case takes loan through banks, financial institutions & others. In such cases there is involvement of House 6 with the combination of purchase of property in DBA. So the complete combination of purchase of property through loan is **4,6,11,12** & the significator planets Mars & / or Saturn . Property is also purchased or acquired through legacy, dowry & paying through the savings of provident funds or insurance. If the property is purchased through the savings of provident funds or insurance 8 House is signified with the combination of purchase of property. The complete combination of purchase of property in this case is **4,8,11,12** Mars & / or Saturn. Now if the property is acquired through legacy the House 8 is repeated with 4,11 houses. Now one thing should be carefully noted here that the involvement of House 12 would not be there since the native makes no expense in this regard.

### **Purchase in installments**

When **4,12** is signified in the DBA the property is purchased in installments. This case is a little different from the purchase through loan. Here no loan is taken & the property is acquired after a long process of payments in parts.

### **Location & Status of Property**

If natural benefic Sun, Moon, Mercury, Venus & Jupiter are in DBA planets the property purchased is in good & prime location. If somehow Sun & Moon are predominantly signified, property is purchased from Govt. or Govt. authority. There is an expansion in property in DBA of Jupiter or the property is huge. Venus signifies prime, sophisticated & beautiful property. It also signifies interior decoration. However if the property is purchased in the DBA of natural malefic Rahu, Saturn or Ketu the property is purchased in bad location. If somehow Saturn is predominant in DBA with other natural malefic, the property purchased can also be smaller than the needs of the native.

### **Commercial property**

Mercury & the 7 House signify commercial property. The commercial property will be purchased when Mercury is any

of the DBA planets or 7 houses is signified with the combination of property purchase as discussed above.

### **Construction of Property**

If a plot of land is purchased & the native wants to commence the construction at the same stage or the later stage the same combination of purchase of property should appear in DBA during construction.

### **Rental Income**

Native will earn rental income in the DBA of 4,6,11. The tenant will not vacate the property if the combination of loss of property (given below) is signified in the subsequent DBA of the native. The property is revived in litigation when the combination of 4,6,11 is revived in the subsequent DBA. If the combination doesn't reappear in DBA the native has to lose the property forever.

### **Loss of Property**

Loss of property can be due to various reasons like losing in litigation, Mafia, attachments etc. Loss of property takes place in the DBA of malefic Rahu/ Ketu signifying 4,6,8,12. Demolition of property by the Govt. authority will take place in the DBA of Sun or Moon. The DBA planets will signify the combination 4,7,8,12.

### **Partition of Property**

Partition of property will take place between two or more parties when 3,11 will be signified in the DBA of separative planets.

Common question asked by the native is whether the property purchased by him is lucky or not. If combination of purchase of property is signified in the DBA of natural benefic with 5,9 or 5,9 are signified in the DBA of natural benefic the person will be happy in life & satisfied. On the other hand if 6,8,12 are signified in the DBA of natural malefic during purchase of property & in subsequent DBA the person will have to face series of troubles in life therefore he will believe the property

is not lucky for him. The astrologer in all such cases shall deal with the native in a very articulate manner.

## **Sale of Property**

Sale of property is signified by the combination **3,5,10**. Since 5,10 of the native are 4,11 to the opposite party & 3 being 12<sup>th</sup> from the 4<sup>th</sup> House signifies losing the possession of the property by the native. Here also the significator planets remain the same i.e. Mars & Saturn. Therefore native sells property in the DBA of any of Mars or Saturn signifying the combination of 3,5,10.

If somehow House 11 is signified in the DBA with the combination of sale of property the native is able to sell the property at higher price than the market price. On the other hand if same combination is signified with 6,8,12 in the DBA the property is sold at lower than the market price.

If both 3,5,10 & 4,11 are signified in the DBA of the native there is simultaneous sale & purchase of the property by the native.

## **Change of Residence**

Change of place of residence of a native is signified by the combination **3,5**. They should be signified in the DBA planets of separatives at the particular time.

## **Purchase of Vehicle**

Purchase of vehicle is a common phenomenon because of the fast life & the distances involved.

## **Houses**

Houses involved in purchase of vehicle are same as that of property.

**House 4** : The prime house of vehicles.

**House 11** : Gain of vehicle.

**House 12** : Expense thereon.

## **Facilitator house**

**House 3:** House 3 in a Horoscope is prime house of travel & leaving the home for various reasons such as business, service, tourism etc. In case of vehicle purchase it is a facilitator House whereas in property being 12<sup>th</sup> from the 4<sup>th</sup> it negates the purchase of property.

## **Planet**

**Venus:** Venus is the significator planet in both sale & purchase of vehicles.

## **Combinations & Timing of Purchase of Vehicle**

When an astrologer has to predict the purchase of vehicle he has to pin point DBA planets which signify **4,11,12**. Care should be taken about the involvement of Venus in the DBA. Any of the DBA planet should be Venus or conjunct or aspected by Venus.

## **Purchase of Vehicle through Loan**

Due to various factors native takes loan (through banks, financial institutions & others) to purchase vehicle. In such a case there is involvement of House 6 with the combination of purchase of vehicle in DBA. So the complete combination of purchase of vehicle through loan is **4,6,11,12** & Venus. If this combination appears in the subsequent DBA of the native, astrologer can predict with authority that the vehicle will be purchased through loan in the DBA. Vehicle is also purchased through the savings of provident funds & insurance and in such a case combination of **4,8,11,12** appears in the DBA.

## **Gift of Vehicle**

When the combination of **3,4,5,8,10,11** appears in the DBA with any of the DBA lord as Venus, native gets vehicle as gift or by winning in the lottery.

## **Colour of the Vehicle**

The planets of the DBA signify colour of the vehicle at the

time of purchase. Stronger of the DBA planet will indicate the colour of the vehicle. However if all are equally strong the colour will be mixture of all the colours signified by the three DBA planets.

Table of colours signified by different planets is as under:

|                |   |
|----------------|---|
| <b>Sun</b>     | White, Red  |
| <b>Moon</b>    | White   |
| <b>Mars</b>    | Red   |
| <b>Mercury</b> | Green   |
| <b>Saturn</b>  | Dark Blue, Black  |
| <b>Jupiter</b> | Yellow  |
| <b>Venus</b>   | White, Metallic & prime shades at the time of purchase. |
| <b>Rahu</b>    | Same as Saturn  |
| <b>Ketu</b>    | Red, Sandal.  |

### **Luxury Vehicles**

Luxury or big vehicles are purchased when Venus is aspected by natural benefic Moon, Mercury or Jupiter.

### **Condition of Vehicle**

Vehicle purchased will be old if natural malefic Rahu, Ketu & Saturn predominate the DBA planets. If all the DBA planets are malefic as discussed above & also signify 6,8,12 the vehicle purchased carries various faults which will be difficult to locate & rectify.

On the other hand if natural benefic Sun, Moon, Mercury, Jupiter, Venus signify DBA it motivates the native to purchase new vehicle.

### **Commercial Vehicle**

Commercial Vehicles are purchased in the DBA signifying House 7 with the combination of purchase of vehicle. Mercury can also be any of the DBA lord in this case or aspect or conjunct any of the DBA planets.

## **Theft of Vehicle**

Theft of the vehicle takes place in the DBA signifying combination **4,6,8,12**. In addition to the combinations above DBA planets should be natural malefic Saturn, Rahu or Ketu. Snatching of the vehicle will take place in DBA of Rahu or Ketu & the combination is **4,7,8,12**.

Vehicle is recovered when DBA signifies 2,6,10,11. However if the combinations of recovery do not appear at all for a quiet a long time after the loss and on the contrary combination of 6,8,12 is signified the vehicle is never recovered.

In case of theft / snatching when the vehicle is not recovered and the vehicle is insured the native approaches the insurance company for claim. Native is desired to get the claim in the DBA signifying 8,11. However if the combination doesn't appear in the subsequent DBA the native doesn't get the claim from the insurance company. The topic of theft has also be taken up in the last chapter "Miscellaneous" which can be referred to for further details.

## **Sale of Vehicle**

Sale of vehicle is signified by the combination **3,5,10**. Since 5,10 of the native are 4,11 to the opposite party & 3 being 12<sup>th</sup> from the 4<sup>th</sup> signifies parting the vehicle by the native. Here also the significator planet remain the same i.e. Venus. Therefore native sells vehicle in the DBA of Venus signifying the combination of 3,5,10.

If somehow 11 is signified by the DBA with the combination of sale of vehicle the native is able to sell the vehicle at higher than the market price. On the other hand if same combination is signified with 6,8,12 in the DBA the vehicle is sold at lower than the market price.

If both 3,5,10 & 4,11 are signified in the DBA of the native there is simultaneous sale & purchase of the vehicle by the native.

This is a very ticklish question. For speculative gains 5,11 is the combination. 3 House is for paperwork and 3,11 is gain in paperwork/communication. 8,11 is combination for huge gain. Keeping these combinations in mind we will see this Horoscope. Dasa lord is Ketu which signifies 4,5,8,12,11 in Planet and Nakshatra and 1,3 in sub lord. Combination of 5,8,12 signifies total loss hence 11 will not be able to handle

it. Conclusion is the Dasa is negative for purchase shop in tender. There is no point seeing the Bhukti for predictive purpose since Dasa denies however for the benefit of the readers I will like to comment that Jupiter was the Bhukti lord at the time of question and that signifies 5,8,11 in Planet, Nakshatra and Sub lord all, hence positive for speculative gains of all types. Jupiter is Cuspal Sub lord of 4<sup>th</sup> House but because Dasa denies event, the event cannot happen.

Dasa of Mars was in operation when native asked the question. Dasa lord Mars signifies 6,12 in Planet and 3,8 in Nakshatra or 3,6,8,12 put together implying loss of property. Sub lord of Mars signifies 6,12 at one hand and 1,5,9,10 on the other hand. 6,12 Houses get support from 6,8,12 from Nakshatra and Sub lord. Saving Houses 1,5,9,10 will be ineffective henceforth. Next Dasa is of Rahu which signifies

6,12 in Nakshatra and the Sub lord is same as that of Mars. This also does not give any hope of getting the property back. Jupiter Dasa starts from 2029 which signifies 2,6,10,11 and 4,11. No other Planet in the Horoscope signifies such combinations which implies he will never be able to get the property back in his life time. Cuspal Sub lord of 4<sup>th</sup> House is Jupiter but because no other Planet is positive, the positive Houses in Jupiter can not help the native for realizing the property back.

Dasa lord was Moon at the time of asking the question which signifies 2,3,12 in planet and Nakshatra and 8,9,10,12 in the Sub lord. Since 8,12 of Sub lord get strength from 12 of Nakshatra and Planet the odds are against the native. Bhukti of Saturn strongly signifies 3,6,11. However 6,8,12 is signified if Planet and Nakshatra are put together and here 10 in the Planet helps. Mars also signifies 3,11 and 5. Demolition of property is signified by the combination 4,7,8,12. In addition to the combination 4,7,8,12 any of the DBA Planet should be Rahu or Ketu and Sun or Moon signifying government authority.

Dasa lord is Venus which signifies 4,11,12 in the planet 2,3,12

in the Nakshatra & 1,2,4,11,12 in the Sub lord. This implies due to the presence of 12 House in Planet, Nakshatra and Sub lord the demolition is possible however 11 House is also present which is the saving factor. Bhukti lord is Ketu which signifies 4,6,7,8,10,11,12 in the planet & 2,3,12 in the Sub lord whereas Nakshatra signifies Houses 1,2. 4,7,8,12 is clearly signified in Ketu implies that demolition is possible in the Bhukti of Ketu.

Antar lord Rahu signifies 4,7,8,12 in the Sub Lord. This implies there is strong possibility of demolition. Last Antra in the Bhukti of Ketu is Mercury, which is conjunct with Sun, and Moon both signifying 4,7,8,12 and saving factors 10,11. Mercury itself is not very bad since it signifies 12 in Planet, Nakshatra and Sub lord.

It all concludes that demolition is possible in the DBA of Venus – Ketu – Mercury. Since Dasa lord Venus is not very bad and is having saving Houses 11 signified in it the demolition would be partial.

Cuspal Sub lord of the House 4 is Saturn which signifies 4,7,8,12 Houses and also Houses 10,11.

The demolition of the property took place on the 21<sup>st</sup> February 2000. Saturn, Jupiter and Mars aspect the House 4 on the day and Ketu Venus were in exact conjunction in the House 7 on the day.

Dasa lord Jupiter signifies house 4 & 6 which signifies purchase of property on loan. Bhukti of Venus doesn't signify 4,11,12 hence purchase of property was not possible in the Bhukti. Next Bhukti was of Sun which signifies 4,11,6 therefore purchase of property was possible in Bhukti. Native purchased property in the Antar of Mars in the Bhukti of Sun. Since Dasa Bhukti and Antar planets are natural benefic the location of property was good. Sun also signifies government therefore property will be purchased from govt. authority/scheme on loan of because of the involvement of 6<sup>th</sup> House. It is strange that House 12 is not signified in the DBA Planets. Native purchased property in October 2000 in the aforesaid DBA. Cuspal Sub lord of 4<sup>th</sup> House is Mars, which is natural significator as well as signifying House 4 in this Horoscope.

In this type of question it is desirable to see the comfort and success the native desires. As the native is not able to decide the place she should live in future astrologer should compare the two Horoscopes from the two seeds given by the native for the given two places and take decision accordingly.

In case of seed for Madrid Dasa lord Venus is signifying 3,9,12; 2,4,11; 7,11; 3,11 combinations. All other Planets also signify same combinations which implies that the native shall be able to afford property in Madrid, she will be able travel, study further, will be able to write books etc. and will be comfortable in life.

In case of seed for living in any distant Village Dasa Lord Venus signifies 7,8,12; 3,10; 3,12 combinations. Rahu and Moon signify single 8 in Sub lord which is dangerous. Ketu is also not comfortable as it signifies 8 in Planet, Nakshatra and Sub lord. Other Planets are good as they signify 3,10; 3,9,12; 5,10 combinations. House 1 is also repeated in many Planets. This implies that the native will travel long distances for tourism, gaining knowledge and pilgrimage but also face difficulties. House 1 signifies that the native will feel lonely also.

Comparing the Horoscope for Madrid with Village astrologer should keep the facts in front of the native and let the native take decision.

Dasa Bhukti antar of Saturn – Jupiter – Rahu was in operation at the time of travel which does not signify any accident or mishap rather it signifies 5,11 in all the Planets traces of 8 and 12 Houses are also there which here signify fear only. Native went to Srinagar and neither bomb blast nor mishap occurred during the travel.

# CAREER AND FINANCIAL PROSPECTS

It is the desire of every person to have a successful career once he has taken plunge into it at a particular age after finishing his studies. The pursuit of service or business as a career depends upon the family background, the education & other factors. Compelled by circumstances to earn a livelihood & support his family a person starts his career even though he has not finished his education.

In astrology whether a person will pursue service or business can be explained by the following combinations:

For service **2,6,10,11**

For business **2,7,10,11** since these houses signify as under:

## Houses

**House 2** : accumulation of wealth, money & bank accounts.

**House 10** : is the prime house of career, name & fame.

**House 11** : is the prime house of financial gain, increments & promotion.

**House 6** : is the prime house for service & working conditions.

**House 7** : is prime house of business, business partners, trade & commerce.

Therefore when House 6 connects 2,10,11 native joins a job whereas when 7 House is signified he joins business. Care should be taken while dealing with House 6 & 7 House since both are complementary houses.

First & foremost question a native is likely to ask from an astrologer is as to when will he get a job & whether in the

Government or Private sector? Native will get a job in the DBA planets signifying the combination 2,6,10,11. This combination may not appear fully in some horoscopes but may figure in a discontinued manner like 2,6 or 6,10 or 2,6,10 or 10,11 or 6,11 or 2,10,11 or 6,10,11. The more number of times this combination is repeated the more it reflects the higher the native is going to enjoy in his career. If Sun or Moon are one of the DBA planets native gets a Government job. However if Jupiter or Mercury are predominant in the DBA planet native joins a private job.

Out of 2,6,10,11 if 6,11 or 10,11 or 2,11 or 2,6,10 or 2,10 are signified in the DBA, these are good for career in descending order. However if 2,6 is signified in the Dasa in the Nakshatra or the Sub lord the position becomes doubtful. If Bhukti signifies 10,11 or 6,11 or 2,11 or 6,10 then there is a gain but if 5,8,12 or 8,12 are signified there is loss of money or reversals in the career.

### **No job or obstacles in career**

It is a common experience people don't get job after a lot of hard work put in for searching the job even after good education & experience. Astrologically houses involved in preventing a job or obstacles in career are:

### **Houses**

**House 5:** This may surprise many astrologers as to why & how House 5 good in all respects prevents a job or signifies loss in the career. House 5 being 12<sup>th</sup> from the 6<sup>th</sup> the prime house service or service conditions signifies loss of inclination in the work. It is also 11<sup>th</sup> House of the competitor or the opposite party. When it conjoins with any of the 8,12 houses puts a real dent on the career or if the native is not having a job it prevents the job.

**House 8:** It is the prime house of obstacles, misfortunes & insults

**House 12:** This house signifies losses.

### **Combinations & Timing**

**5,8,12:** This combination is worst for the Career & financial prospects in the business as well in the job. It signifies suspensions, dismissals, scandal, insults & heavy loss of money. If the good houses 10,11 are not signified in the DBA with this combination it signifies "Total loss". If the native is without the job or work he/she can not get in its DBA. All this is also because

**House 5** is 11<sup>th</sup> of the opposition.

**House 12** is 6<sup>th</sup> of the opposition.

**House 8** is the 2<sup>nd</sup> of the opposition. Therefore it is the opposition, which gains in all the circumstances.

**6,8,12:** House 6 is prime house of work & work place. When it conjoins 8,12 it signifies loss & obstacles in the work place, hindrances & problems in accomplishing the work. This combination is not as bad as the above combination since there is not much gain to the opposition.

## **Interviews & Written Tests**

After the basic educational qualification there is a written test followed by "Group discussion" & Interviews. For success in the written test combinations of 6,11 or 10,11 or 4,9,11 or 5,11 or 4,11 should be signified in DBA (in the descending order) planets during the written test .

For success in interview & group discussion the DBA planets should signify the combinations 3,6,11 or 3,10,11 or 3,11.

## **Change in Job/Business**

The next step in the career is the change in job or business. The Houses involved in change in job or business areas follows:

### **Houses**

**House 5:** Being 12<sup>th</sup> from the House 6 it signifies leaving the present work & working conditions.

**House 9:** Being 12<sup>th</sup> from the House 10 it signifies leaving the present status or position.

## **Planets**

All the separative planets viz. Sun, Rahu, Ketu, Saturn promote separation from the present conditions.

## **Combination & Timing the Change of Job**

When **5,9** houses are signified in the DBA of separative planets person leaves the present job.

## **Nature of the Next Job/Business**

The other aspect the native considers whether this change in the career is with good prospects or not? If subsequent DBA signifies 2,6,10,11 or 2,7,10,11 then the change is for good but if 8,12 are signified the change is for bad or there is going to be downward trend in the carrier subsequently. One more thing if the present DBA signifying 5,9 also signify 2,6,10,11 or 2,7,10,11 then the change is with the promotion. However, if 5,9 is only signified in the DBA the change is to the same status.

## **Change From Job to Business**

Another aspect considered here is change to Business from Service. If the DBA in Horary Horoscope signifies good Houses of career native should leave the job and join the business he/she intends to. However, if bad combinations 5,8,12 are appearing he/she should continue the job.

Now I will discuss circumstances which are peculiar to career:

## **Break in Career**

If the combination of 5,8,12 is signified in the DBA of separative planets clearly then the native has to suffer a tremendous loss in the career. For a businessman it is the time for the closure of the establishment or the unit. Natives who are in service are forced to leave the job.

## **Suspension**

Native gets suspension orders when the combination of 5,8,12 is signified with 2,6,10 in the DBA of separate planets. The native loses his job if combination of 5,8,12 is signified in the subsequent DBA. "Transits" of planets signifying combinations 5,8,12 in the same Houses / Nakshatras will result the loss of job finally. Native is reinstated if the combination of 2,6,10,11 is signified in the subsequent DBA.

## **Promotions**

Native gets out of turn promotion & high ups when combination of 2,6,10,11 is signified in the DBA planets.. Multiple promotions are sought in the DBA of Mercury. Regular promotion is sought even when 2,6,10,11 Houses appear scattered in the DBA planets.

## **Transfer**

When 3,9,12 is signified in the DBA the person gets transfer orders. If the DBA is of separate planets native has to leave the native place & is transferred to a distant place. If the DBA planets are natural malefic predominantly he is transferred to underdeveloped country / place. On the other hand if DBA is of the natural benefic he is transferred to developed place or developed country or prime city.

## **Partnership**

It is a common question people normally ask as to whether I should do partnerships or not? The partner will cheat if combination of 5,7,12 appears in DBA in Horary Horoscope.

## **Getting Lost Property or Money**

In case native has lent money to someone or has lost money or an item then 5,8,12 in following DBA signifies losing it and when in the following DBA 2,6,10,11 is signified native gets the money or item back. If both the combination appear in the DBA native realizes part of the money.

Dasa lord Jupiter signified 9, 10 in the Planet & Nakshatra & 2,6,10,11 in the sub lord. Jupiter is fairly good for business. Bhukti lord Venus signifies 5,12 in the Sub lord. Since Bhukti lord is negative and Dasa – Bhukti – Antar lord are natural benefics it implies that the business requires money or more

investment & better infrastructure. Cuspal Sub lord of 7<sup>th</sup> house is Rahu is also positive to a large extent.

Next Bhukti is of Sun which signifies 2,6,10,11. Therefore the business will be roaring in the Bhukti of Sun. Most of the planets signify 2,6,10,11 therefore the planet will excel. 3,9,12 are also signified in most of the planets which implies that dealing with foreign countries will also be fruitful.

Jupiter Dasa is nearing the end now in 2006 and the native has excelled in business by now.

Promotion is signified by the combination 2,6,10,11 which is signified by Dasa lord Rahu in Planet Nakshatra & Sublord. Whereas in the other hand 5,8,12 is also signified in Planet Nakshatra & Sub lord which implies total loss or termination from the job. In such case an excellent Bhukti signifying 2,6,10,11 is required for promotion. Present Bhukti of Mercury signifies 3,4,6; 1,5,8; 6 in Planet, Nakshatra and sub lord. Hence Mercury is adverse for profession. Antra of Moon was running at the time of asking the question signifying 5,8,12 in Sub lord however 10,11 is also signified. Sub lord is supported by 5,8 in nakshatra. This concludes that it is possible that he may face some setback in job rather than promotion.

Native got suspended from the job after few days.

Profit in business is signified by combination of 2,6,10,11. Since DBA Rahu – Mer – Rah signifies 5,8,12; 6,8,12; 7,8,12 in the Planet Nakshatra & Sublord there will be total loss and bickerings. '11' in the Sub lord of Rahu only signifies hope of profit. Combination of 3,8,12 is also signified in Rahu signifying forgery and 6,8,12 suggesting loss in litigations.

A close look also suggests that combination of 2,3,8,12 is also there in Mercury which implies arrest and combination of 3,4,8,12 in Rahu signifies going underground. Similar combinations are also present in Ketu, Sun, Moon, Mars, Jupiter and Saturn.

This question can be taken into the category of a "Mook Prasna" or a question which native does not reveal. This question was asked by native in "Diwali Mela" in Paschim Vihar, New Delhi. The native was told that you will suffer tremendous loss in deal. He was not satisfied and said that it is not possible. He was further told that it is possible that you may have to go underground after the cheating will be unearthed and this is our final answer. Listening to that to our surprise he confirmed that our reading is correct which cannot be shared in the book.

Native of Illustration - 3 brought the native to us. DBA of Mercury - Rahu - Saturn was running at the time of asking the question. All the three planets signify 2,6,10,11 Houses which states that the native will be benefitted in the deal. This question was asked at Deepawali Mela. After the native had asked the question we used to request him to come after some time so that we are able to calculate the answer of the question. One of my student was calculated the answer to be positive he shared the answer with me. Native of illustration - 3 was hearing the discussion between us and objected that the answer can not be positive as this person and he were the partners in the same deal. This comment of the native of illustration - 3 clearly unfolded the truth that it is his partner who has cheated him in the deal and reaped all the benefits of the deal.

Astrologer should understand this very well that the native is asking the transfer to native place or away from the native place. If the question is about transfer to native's homeland combination 2,4,11 should appear in DBA. DBA is of Jupiter – Venus – Sun. Jupiter signifies 4,11; Venus 2,4,11; Sun 2,4,11. Houses 5,6,8 appear in Sub lord of Venus and

Mercury therefore CMD will agree for the transfer but put some stringent conditions in front of the native and then it is the choice of the native to go back to native place or not.

Cuspal Sub lord is Venus which is bad as it signifies 6,8,12 in Planet and Nakshatra put together, however 10 in Nakshatra gives little relief. Saturn is ordinary. Although it does not signify 6,8,12 Houses it also does not signify 10,11 Houses. Next Antra is of Sun which signifies 6,12 in Sub which hence negative for getting job. Moon and Mars signify 6,12 and 6,8 respectively hence getting job in these Antras is not possible. Next Antar of Rahu signifies 2,6,7,8,10,11. In planet and Nakshatra and 7,8,11 in Sub lord. Hence getting job in Rahu is sure but since Cuspal Sub lord, and Bhukti are not good native will get a job less than the status.

Next Dasa is of Mercury which also signifies 6,10,11 and 3,9,12. The native was into exports hence the business will flourish in Dasa of Mercury when Dasa will commence. Ketu, Sun, Moon, Mars

and Rahu also signify positive Houses of business and name fame therefore their periods in Dasa of Mercury will give rich dividends to the native and the native will regain the losses occurred in Earthquake rather he will gain further in business. Cuspal Sub Lord of 7,11 Houses is Mercury and that confirms the same.

Dasa - Bhukti of Jupiter - Rahu is in operation hence the settlement will be against the native. The partners will not agree at all to the terms and conditions put forth by the native. Antar Lord Mars is positive but since Dasa and Bhukti lords are bad it will not be able to help. Settlement in the next Dasa, Saturn will be a bit better.

Only Saturn in the Horoscope is good which signifies 10,11. All other Planets are either adverse or neutral hence even in the Dasa of Ketu also which will run up to 2023 it is difficult for the native to rise in status and become a bank officer. 6<sup>th</sup> Cuspal Sub lord is Mars, which is adverse, and 11<sup>th</sup> Cuspal Sub lord is Venus, which is ordinary.

This is question put by senior marketing manager of a cigarette company as to whether the campaign will boost the sale of their product. For successful campaign or advertisement 3,11; 3,6,11; 3,10,11 should appear in DBA. For unsuccessful one 3,6,8 or 3,8,12 should appear in DBA. Dasa of Ketu signify 1,3,8,9,10 in Planet and Nakshatra and 3,9,10 in Sub lord hence is positive. Bhukti lord Mercury on the other hand signifies 3,6,8 in Planet and Nakshatra and 3,6,8,9,10 in Sub lord hence is negative. Antar Lord is Ketu and next Antar is of Venus up to December is also as good as Ketu. Hence the campaign will give mixed results. Cuspal Sub lord of 3<sup>rd</sup> House is Mercury and that of 11<sup>th</sup> House is Venus which also suggests mixed results or medium success.

Jeera is a commodity which native had purchased for stock and he wanted to sell for maximum profit. We know unlike shares Jeera is an eatable and has short life for stocking therefore we will have to find nearest time to sell hence Dasa is not required to be seen if years of Dasa are balance. Saturn Bhukti and Venus Antra was in operation. Venus

signifies 2,5,12; 1,4; 3 in Planet, Nakshatra and Sub lord, hence is not good. Next Antra of Sun is even more bad as it signifies 5,8,12. Moon's Antra would start from 6<sup>th</sup> November and is extremely good as it signifies 2,11 in planet and 8,9,11 in Sub lord. He can sell in Moon if he can wait for 2 months or otherwise he should sell when Moon aspects 11<sup>th</sup> House in the Antra of Venus. In this Horoscope Bhukti of Saturn also had to run for long therefore Saturn is also not required to be seen.
