CHINTAMANI GANESHAAYA NAMAH:

THIS BOOK IS DEDICATED

TO

LORD SHIVA

The subject in this book is purely based on Brighu Naadi principles and I hope readers will accept my combination of this study to the world of Astrology for knowing the profession and the lifestyle of an individual.

Once again I proudly say that the study material and the case study given in this book is very unique, and is totally different in its presentation. My main motto is to simplify the process of knowing about a person and his profession and to give the best subject to the readers of Astrology. I hope this small contribution to the ocean of astrology will be greatly accepted.
