## Dasha Predictions

21/07/2012 - 21/07/2015 in this period you will be under Influence of Rah (Mahadasha) and Ven (Antardasha)

This period indicates that you are going to get mixed results. There is every likelihood of your becoming over ambitious and over expecting without realising the fact of the situation. Your business / trade can give you satisfactory results and some what betterment may also be achieved, if you try to remain practical in your approach. Any haphazard decision of making quick money could be the cause of a lot of worries to you. If you are in service, then may not find much problems in your job but you are supposed to adjust yourself more then to expect from others. For education matters (if you are a student) this is a good period. However, little more efforts has to be put in to get the desired results.Family atmosphere, on the whole will remain quite harmonious but at times disputes over small issues are also indicated. This period will also give the tendency of romance, where you should be more wise not to indulged.

21/07/2015 - 14/06/2016 in this period you will be under Influence of Rah (Mahadasha) and Sun (Antardasha)

During this period, you will come across tremendous opportunities as far as your career is concerned. Your courage & confidence will remain at par-excellence through out the period. There will be quite a few contacts with the people in authority. As an independent entrepreneur, you will do extremely well in your ventures. In case, you are dealing with govt., Societies, then this period will enable you to open new dimension in that field. If you are working somewhere, then a promotion may come your way.You will also get on very well with your superiors. You will command very good reputation & respect in this period.Family atmosphere, on the whole will remain quite cordial and harmony among the family members will also be there. However, the health of someone in the family may bring anxiety for you.There is nothing much to worry about it as it would be just a passing phase. Try to make the best use of this period.

14/06/2016 - 14/12/2017 in this period you will be under Influence of Rah (Mahadasha) and Mon (Antardasha)

During this period, your fine imagination and approach will pay you handsomely. If you are involved in creative jobs then fantastic results may be expected. As an independent entrepreneur, you will come across flourishing opportunities. Your margin of profit will increase beyond your expectation. If you are an employee, you will get on very well with your superiors. A promotion will also take place in this period.Family atmosphere will be full of happiness. There is strong possibility of birth of child in your family. You may have to spend quite a lot in your house hold articles and buying of a new vehicle is not ruled out.

14/12/2017 - 01/01/2019 in this period you will be under Influence of Rah (Mahadasha) and Mar (Antardasha)

This period will give you the tendency to over expect from the present situation and think of yourself as a spider man. If you do not use your brains and realize the hard facts of the life then only negative results will be there. In your business / trade, you have to matter of fact and not making unwise decisions where you can avoid them easily. A break up with partners / associates could also take place. If you are in service, then you may plan to leave your job without getting any thing else in your hand. Do not be stupid, if you find yourself in this sort of mental state of affairs. If you are a student, then your studies will suffer because of this illusion that you already know a lot. Family atmosphere may not be harmonious and disagreement over small issues are quite possible. Health hazard to someone in the family is also indicated.

01/01/2019 - 19/02/2021 in this period you will be under Influence of Jup (Mahadasha) and Jup (Antardasha)

You might face quite a few problems in this period. You may be prone to take rash & impulsive decisions which could thwart your progress. A lack of confidence will be quite obvious in your actions. You may also be subjected to false allegations.Your service conditions may be deteriorated, if working somewhere. You may develop a strange phenomenon not to listen others useful ad vices. Your friends & well wishers may try to let you down and your opponents may be out to harm you. You are advised to be careful and use your skill to avert the possible danger from different corners. Family affairs need more attentions.Take care of your health as it may not keep good all the time. It would be better to observe Thursday fast and wear topaz gem to minimize the trouble.

19/02/2021 - 02/09/2023 in this period you will be under Influence of Jup (Mahadasha) and Sat (Antardasha)

This is not a very good period. There could be set back or failure in attempts. In your business / trade, you may not get satisfactory results. Financial problems will also aid to your frustration. Your partners / associates behaviour may not be commendable and in extreme cases, break up may also take place. If you are dealing in industries or manufacturing, then unexpected problems could also crop up at your site. If you are working somewhere, you may be harassed by your superiors. With the results, you will start losing interest in your work and which help them to torture you. You may also be asked to do such works which you do not like. As a student, you may not pay adequate attention to your studies.Your results could be drastically disappointing. You are advised to be more sincere. Family

members attitude may not be cordial towards you and a lack of understanding may prevail with the relatives.

02/09/2023 - 08/12/2025 in this period you will be under Influence of Jup (Mahadasha) and Mer (Antardasha)

During this period, you are going to get mixed results. At times, you may be confused and take wrong decisions. You may be subjected to false allegation or sex scandal. In your business / trade, you will do quite well & earn good money. However, there is a danger of your success is going to your hand and because of this, you will be misbehave with your colleagues and people around you. This phenomenon will make you unpopular and start loosing reputation. In your office, you might face quite a few problems. You may not get on well with your superiors / bosses. You might also be suspended or transfer to an enterer place. As a student, you are advised to be damn serious about your studies. As a matter of fact, you will have the tendency to involved in other things and omit your studies. On the home front, you will have good atmosphere all around you and a marriage or birth of a child is likely to take place in this period.
