## FORM

“The first definition of form is the name”

– Nāma Tattva, Śrī Achyutananda Prabhu

Name comes from two or more sounds

Two sound names are rooted in movable signs

Three sound names are rooted in dual signs

Four sound names are rooted in fixed signs

The roots are in the kendra – the signs that welcome Mahāviṣṇu

The fruits are in the koṇa – the signs that welcome Śrī

The rest are the trunk, branches and leaves

Lagna, the meeting of Śrī and Mahāviṣṇu, is praiseworthy

जय विष्णु श्री विष्णु महाविष्णु पाहिमाम्

जगन्नाथ जगन्नाथ जगन्नाथ रक्षमाम्

jaya viṣṇu śrī viṣṇu mahāviṣṇu pāhimām

jagannātha jagannātha jagannātha rakṣamām
