## || Life Predictions ||

### Character

You have a certain amount of philosophy in your character but it lies dormant a good deal of the time. You are large-hearted and sincere, though a trifle blunt. You are somewhat proud and people who ponder to your vanity become your best friends. You have high ideals which cannot be realised. When they fail, you allow yourself to be considerably dejected. There is a streak of restlessness in you, which causes you to cast aside an ideal before it has had sufficient time to mature. Consequently, you do not attain the success in life, nor the happiness and comfort, that your qualities merit. You know how to express your opinions in public and you have a neat gift for being humorous. It follows that you are credited by your friends as being jolly good company. Certainly you are entertaining. Your friends by the way, have considerable influence on you and it is highly necessary that you should chose them wisely and deliberately. Your greatest failing is that you are versatile and that your energies are directed into too many channels. Concentrate on fewer branches of work and pleasure, and you will greatly benefit by the change.

### Happiness And Fulfillment

If promotion is slow, you may become despondent and even spoil your chances by plain speaking. Once you climb up the ladder and reach a good height, your abilities will establish you firmly. From this, it is seen that you will fare better in the higher ranks of service than in the lower. Clearly, it will be wise for you to go cautiously while getting your footing.

### Health

The length of your life depends more on yourself than on the fates. You have the power to attain a rip old age. But, if you wish to do so, you must take particular care of your lungs. Seek all the fresh air you can obtain and, without making yourself a faddist, dwell as much as possible under the sky of heaven. Make a practice of regular walking and see that your head is up and your chest open. Colds and coughs should never be neglected, and damp air is highly injurious. As a secondary caution, look to your digestion. Never overload it with foods that are rich and hard to digest. Plain food will serve you best.

### Hobbies

Your leisure moments must be spent in a manner fitting to your temperament. Seeing that you value refinement and comforts, you do not care for rough or strenuous games. You like the company of others and you seek the bright-spots of life. Card-playing, probably, tempts you, but it has no attractions unless money stakes are involved. And, here, it may be well to warn you against gambling. If allowed, it might take a strong hold on you.

### Love Matters

Generally, you are very careful in taking a partner. The horror of making a possible mistake seems to be magnified in your eyes and you are very cautious. As a consequence, you marry later than usual. But, once you make a choice, you become charming and devoted spouse.

### Finance

In matters of money, you will be lucky during the early years of your life, but due to your own extravagance and lack of provision for the future, there will be grave danger of your finding yourself in an impoverished condition long before the end of your days. You cannot be too prudent in the matter of finance. You will not be really fitted for money grubbling in any of its forms. You belong more to the mental, intellectual plane and will care little about wealth if you can only have enough for your immediate wants. You belong to the hopeful class of individuals who are rather inclined to live in dreams.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Tenth house from Lagna, while in the Moon chart Mangal is placed in Fourth house.

### Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
